

***Southeast PA Beef Classic
Youth Jackpot Show
March 18-20, 2022***

11/4/2021

Dear Exhibitors,

A ton of planning and research goes into hosting shows. The Southeast PA Beef Classic committee chose a date that was not a conflict with any other in-state held shows. The contract with the PA Farm Show was completed and our news was announced. A week later there was a second announcement creating an in-state conflict.

The objective of this Association shall be to hold an annual junior beef cattle show. The purpose of this show shall be to assist in the development of young men and women by promoting the values of hard work, responsibility, good sportsmanship, the husbandry of livestock and beneficial interaction with friends and family. The Officers and Board of Directors have had numerous discussions. We the Southeast PA Beef Classic committee believes it is in the best interest of the kids and the families to switch our dates so that you don't have to decide between two in-state shows.

So we are beyond excited to announce the **Southeast PA Beef Classic** will be held **March 18 - 20, 2022** at the PA Farm Show Complex in Harrisburg.

We are looking forward to seeing everyone with the same great options as before, 2 rings, showmanship, skill-a-thon, silent auction and more!

Sincerely,

SEPABC Show Committee

The Southeast PA Beef Classic Committee

Mission Statement:

To promote and support the beef industry by broadening the industry knowledge of today's young cattlemen and cattlemen by providing future industry leaders an opportunity to showcase their hard work in an educational and family oriented environment.
